[1] Laura (Female): "Oh! You startled me. Don't sneak up on a person like that, huh?"
[2] Player: "I'm looking for Braxton. Have you seen him?"
[3] Player: "Didn't mean to scare you. I'll go."
[4] Laura (Female): "Braxton? I've never even heard of a Braxton! Got nothing for ya. Sorry."
[17] Player: "Relax, no one's in trouble. I'm just looking to have a friendly chat with him."
[11] Player: "Why are you acting so paranoid?"
[12] Player: "You've been taking drugs."
[13] Laura (Female): "Paranoid?! I'm not paranoid."
[15] Laura (Female): "No! Okay, maybe. Just a little."
[18] Laura (Female): "Oh. In that case..."
[14] Laura (Female): "By the void, do I seem paranoid to you?"
[16] Laura (Female): "Braxton always has a good stash. And I just like to let loose a little. Stop thinking about the marauders and raptidons outside, you know?"
[20] Player: "Just tell me where Braxton is."
[5] Player: "So you do know Braxton. Where is he now?"
[23] Laura (Female): "Then you'll leave me alone?"
[19] Laura (Female): "Oh, damn!"
[6] Laura (Female): "He told me he was delivering to this house in the ruins south of town. Whole family had fallen sick, and he had some meds on hand."
[7] Laura (Female): "So maybe look for him there?"
[8] Player: "That's all I needed."
