[196] Grimm (Male): "Don't think I've seen you around. That means you must be new to Stellar Bay. You are new here, right?"
[225] Player: "Whatever, I'm not here for chit-chat. "
[198] Player: "You seem surprised."
[318] Grimm (Male): "You must've seen those UDL gunships on your way in. There's only three of 'em these days. Still, they tend to scare folk off."
[319] Player: "What are they doing out there?"
[320] Player: "Takes more than a few gunships to scare me."
[226] Grimm (Male): "Wait! Don't go just yet. I've been practicing for this. Here goes."
[321] Grimm (Male): "Wish more folk could say that. Gets awful quiet guarding a landing pad that never gets used."
[224] Grimm (Male): "You may not have heard - you being new - but Stellar Bay hardly ever gets offworld traffic. Us being cut off by the Board and all."
[200] Grimm (Male): "Which means I never get to do this part. But I've been practicing! So here goes."
[201] Grimm (Male): "On behalf of Monarch Stellar Industries, welcome to Stellar Bay, home of the freshest saltuna in Halcyon. Please state your name for the records."
[204] Player: "I prefer to travel discreetly, if you know what I mean."
[203] Player: "I don't have time for this."
[205] Grimm (Male): "Aw, don't be like that. I never get to do this part!"
[202] Player: "Captain <oeitoken>PlayerName</oeitoken>."
[207] Grimm (Male): "Please?"
[206] Player: "Me? I'm Alex Hawthorne. "
[211] Player: "Sorry. I've got business elsewhere."
[208] Player: "Fine. I'm Captain <oeitoken>PlayerName</oeitoken>."
[209] Player: "I go by Alex Hawthorne."
[210] Player: "Don't make me tell you twice."
[213] Grimm (Male): "Swell, there's one for the logs! I'm even gonna give you your own entry code."
[223] Grimm (Male): "Business? Well, Mr. Sanjar's gonna like the sound of that."
[212] Grimm (Male): "H-hey, easy. I won't stop you."
[214] Grimm (Male): "I'm not supposed to do that - it's against procedure - but Mr. Sanjar isn't so strict about the rules here. Besides, I got a lot of empty entries to fill."
[220] Player: "I'm gonna have a look around town."
[216] Player: "You're not what I expected to find on Monarch."
[215] Player: "Is Stellar Bay really THAT isolated?"
[221] Grimm (Male): "Mr. Sanjar'll be mighty pleased to meet you. If you see him over at headquarters, maybe you could tell him I did a bang-up job of welcoming you?"
[219] Grimm (Male): "Oh, that'll just make Mr. Sanjar's day if you tell him. The Board makes up lots of nasty stories about raptidons and cannibals and whatnot."
[217] Grimm (Male): "We don't get ship traffic in town. Only offworlders who do make it out here are SubLight - they got a base in Fallbrook."
[229] Grimm (Male): "Oh, and if you're headed that way, maybe you could do me a favor?"
[222] Grimm (Male): "But that's all outside our walls. Mostly."
[218] Grimm (Male): "And thank the stars for them, or we would've run out of Rizzo's Purpleberry Crunch years ago."
[231] Player: "That depends. What is it?"
[233] Grimm (Male): "I got this Rizzo's Rangers tossball poster coming in on the next SubLight shipment. Signed by the Black Hole himself!"
[234] Grimm (Male): "Only, I haven't heard anything in a while. You think you could check with Celia to see if it's come in?"
[232] Player: "I don't have time for this."
[236] Player: "Who's the Black Hole?"
[238] Player: "This poster sounds pretty valuable."
[235] Player: "Sure, I can ask about your poster."
[242] Grimm (Male): "That's Bertie Holcomb! Only one of the greatest tossball hackers ever. "
[244] Grimm (Male): "I couldn't really say - I'm just a fan of the game."
[240] Grimm (Male): "Thanks a bunch! Celia works for Mr. Sanjar in the MSI building, next to the bar. She's always there, so you can't miss her."
[245] Grimm (Male): "Everyone's heard of him - even on Monarch, we still get some of the games. You been living in a sulfur pit or something?"
[249] Grimm (Male): "But the fancy collector types say the more people see these things, the less valuable they are. And I figure my poster's been passed around by more than a few people by now."
[294] Player: "Actually, I've been in hibernation for decades."
[295] Player: "But why's he called the Black Hole?"
[296] Player: "Whatever, I don't really care."
[247] Grimm (Male): "Aw, you're real funny. Guess I don't feel so bad for missing what goes on in the rest of Stellar Bay."
[298] Grimm (Male): "On account of him being the best hacker who ever played! Nothing gets by him - he sucks up every ball that comes his way."
[297] Grimm (Male): "Aw, you must be a Hammers fan for sure."
[300] Player: "Maybe word that differently."
[299] Player: "Okay, that's all I ever need to hear on that subject."
[302] Grimm (Male): "Well, Holcomb's had lots of nicknames over his career. Used to be the Tally Whacker on account of what he'd do to the score. "
[303] Grimm (Male): "Before that he was the Slick Stick 'cause his shots were always so smooth."
[304] Player: "Let's not talk about this ever again."
[305] Player: "You're making this up."
[301] Grimm (Male): "Whatever you say! I could talk tossball for hours."
[306] Grimm (Male): "I swear I'm not! At the start of his career, people called him the Hack Boss, but no one thought that was very catchy."
