[1] EllenChawla (Female): "Unless you're here to file an incident report or to inquire about the bounty posting, I must kindly ask you to clear out. The Mardet's offices aren't for leisure time nor loitering."
[134] Player: "I'm interested in that MacRedd bounty. Where can I find him?"
[2] Player: "What bounties do you have available?"
[3] Player: "So what's it like, working security detail on a space station?"
[4] Player: "I'll be on my way."
[7] EllenChawla (Female): "Last tip we got pointed toward the Back Bays. You want the reward? Do the legwork."
[105] EllenChawla (Female): "Still waitin' to hear back on that bounty for MacRedd. That aside, not much else - Groundbreaker's keepin' calm at the moment."
[5] EllenChawla (Female): "Do I look like your gossipy best friend? While I'm on post, I take my duties real serious. I would have no qualms whatsoever escorting you to a cell. Understand?"
[10] Player: "I'll think about it."
[11] Player: "Why don't you send a Mardet to apprehend him?"
[69] EllenChawla (Female): "Nothing excessive, mind you. But the scoundrel deserves a light beating at least before he kicks off."
[49] Player: "Fine, fine."
[80] Player: "Hey! No one talks to me like that."
[78] Player: "Whoa, all right. Just trying to make conversation."
[15] EllenChawla (Female): "Suit yourself. Not everyone's cut out for detective work and so forth. I understand."
[12] EllenChawla (Female): "Oh, I will. Soon as the Chief approves the personnel re-org required for a bounty dispatch. So in about three to seven weeks."
[70] Player: "Forget about the bounty for now. I want to talk with you about something else."
[19] Player: "I'm working on it."
[51] EllenChawla (Female): "Then get to business or get moving."
[81] EllenChawla (Female): "Now, let's not start a fuss. I'm just trying to do my job, and I can't do it while chit-chatting with you."
[79] EllenChawla (Female): "I'm not here for a chat. Now get moving before I see you moved."
[71] EllenChawla (Female): "Have at it, then."
