[228] Grimm (Male): "Have you had time to check on that poster yet? I keep wondering if it's come in."
[259] Player: "<Give him the poster.> Here it is."
[307] Player: "You know, you really are a little too persistent about this."
[267] Grimm (Male): "Would you look at that! The Rizzo's logo is nice and bright, and you can still smell the ink in Mr. Holcomb's signature!"
[308] Grimm (Male): "Sorry, I just get so excited. And I always feel like I miss everything that happens in town while I'm up here."
[322] Grimm (Male): "I can't thank you enough. Still, you can have the bits I was gonna spend at the bar this week."
[270] Grimm (Male): "And you know what? Take my old tossball blocker, too. Never get the chance to use it these days."
