[1] velmaballard (Female): "Look, you can tell Catherine the new shipment'll be ready when it's ready, all right? She's welcome to come up here and pack boxes herself if she's in such a hurry."
[53] Player: "Take it easy. I'm just looking around."
[52] Player: "Catherine said she'd shove you in a box if you keep running your yap like that."
[62] velmaballard (Female): "Well, if you're that friendly about it, then you definitely aren't one of Catherine's SubLight toughs. My mistake."
[54] velmaballard (Female): "Did she, now? Well, I can see I was mistaken. 'Cause if Catherine really had sent you, there'd be a lot more expletives in your message."
[55] velmaballard (Female): "Hope you can forgive my temper. This job's been running me ragged lately."
[131] velmaballard (Female): "First my auto loader foreman stages a walkout, and now my chief pescatological health manager is missing."
[102] Player: "I'm here to ask about Grimm's poster."
[63] Player: "I don't have time for this."
[103] velmaballard (Female): "This again? I swear, this is the last time I contract for any special requests."
[104] velmaballard (Female): "You can tell Grimm his poster came in. You can also tell him I got a better offer for it. So now it's going to Nell."
[105] velmaballard (Female): "That about cover it?"
[107] Player: "You still have the poster, right?"
[108] Player: "You're just giving Grimm's poster away? Didn't he pay for it?"
[106] Player: "Who's Nell?"
[109] Player: "Surely we can work something out."
[111] velmaballard (Female): "It's staying locked up in my office until Nell shows with her money."
[112] velmaballard (Female): "No, I paid SubLight for it, so it's mine. And when Nell pays me for it, it'll be hers. Grimm may have asked for the poster, but it's not his until I take his money."
[110] velmaballard (Female): "She runs the betting parlor across the way. Nice, professional lady."
[113] velmaballard (Female): "Sure can. If you wanna pay me more than Nell's offering."
[114] velmaballard (Female): "She asked me about the poster once - just once. Made a real generous offer, too."
[117] Player: "You won't do much business if your neighbors hate you. Consider this an investment."
[120] Player: "Take <oeiglobal>Bribe_Amount</oeiglobal> bits for the time Grimm's wasted. He'll still pay for the poster."
[139] Player: "Let's talk about something else."
[200] Player: "So it's about the money."
[201] Player: "She does sound... easier to deal with."
[121] velmaballard (Female): "I got a feeling you and Catherine would get on like tumors on a pig."
[124] velmaballard (Female): "Damn right he will. Hopefully that'll be the last I see of him for a while."
[202] velmaballard (Female): "Damn right it is."
[203] velmaballard (Female): "I don't have time for Grimm. Even when I'm not working doubles."
[125] velmaballard (Female): "Take the poster, then. And if I never hear another word about it, it'll be too soon."
[143] velmaballard (Female): "Fine by me."
[99] velmaballard (Female): "Something else on your mind?"
[39] Player: "I'll talk to you later."
