[1] graham_bryant (Male): "Captain! You must be back with the access codes to our new ship."
[2] Zora (Female): "Graham. We need to talk."
[6] graham_bryant (Male): "We have work to do. This isn't the time for one of our spats."
[9] Player: "I'm sorry, Graham, but... Zora's taking over."
[7] Player: "Stand down, Graham."
[8] Player: "We aren't here to argue. We're here to act."
[10] graham_bryant (Male): "What? ...Zora?"
[44] graham_bryant (Male): "Stand... down? I'm afraid I don't understand, Captain."
[45] graham_bryant (Male): "Yes. We are acting. On Stellar Bay. What's this about?"
[12] Zora (Female): "You're running the Iconoclasts into the ground, and I don't believe it'll get better after we take Stellar Bay."
[13] Zora (Female): "The troops take orders from me already. And you've... you've brought me as far as you can down the Eternal path. It's time to step down."
[14] graham_bryant (Male): "The troops. Listen to you. This isn't an army. They aren't soldiers. They're believers. Followers. They pick up a gun because you tell them to, not because they want to."
[15] graham_bryant (Male): "And you, Captain. After all you've done for me. For us. You throw behind this mutinous blasphemer?"
[17] Player: "You're about to take over a planet. You can't handle that responsibility."
[18] Player: "I just think she'll be a better leader."
[16] Player: "I do. She's got the best interests of the Iconoclasts at heart."
[46] graham_bryant (Male): "I can and shall. All I've done, I've done for my people, and look at where that path has led me."
[47] graham_bryant (Male): "How can you say that after all I've done for the Iconoclasts? They wouldn't be here without me."
[19] graham_bryant (Male): "I built this movement from the ground up. I've brought freedom to Monarch, and all these years later, we're still free."
[20] Zora (Female): "I joined because I believed that you were in it for the Iconoclasts. That you wanted nothing more than to bring freedom to Halcyon. That you were selfless."
[22] Zora (Female): "But... I know the truth now, Graham. I know what happened in Amber Heights. You didn't start this movement because you wanted to save us. You wanted to save yourself."
[29] graham_bryant (Male): "No..."
[27] Player: "You ran. You needed a clear conscience, so you ran."
[28] Player: "You don't seek enlightenment. You just feel guilty."
[30] Player: "Let's get on with it, Zora."
[26] Player: "Those deaths are on your hands, Graham. No amount of meditating will clean them."
[48] graham_bryant (Male): "I escaped the corruption of the endless cycle of corporate greed. Yes, I ran from that. But now I'm ready to face it once more!"
[49] graham_bryant (Male): "Guilty? I didn't mean for them to die. I'm not a monster. Of course I feel fucking guilty!"
[31] graham_bryant (Male): "I've spent years atoning for my sins! I've studied. Meditated. Taught. I built the Iconoclasts so that any man could cast away his past for a fresh start."
[50] Zora (Female): "Yeah. I... yeah. Let's."
[32] Zora (Female): "That's your answer, Graham? You... needed a fresh start? After all those innocent lives..."
[34] Zora (Female): "I'm sorry. I believed in you once. I did. But... it's over. Stand down."
[35] graham_bryant (Male): "I won't. What happened back then was a mistake, and the colony has moved on. This is my movement. These are my people. If you want to lead them, you'll have to kill me."
[38] Player: "Not much of a choice here, Zora."
[37] Player: "That isn't necessary."
[51] Zora (Female): "Yeah. I... I had hoped."
[39] Zora (Female): "Please... don't make me do this, Graham."
[42] Player: "Let's get this over with."
[40] graham_bryant (Male): "If this is where my path ends, I accept it. But as long as I draw breath, I will not abandon them."
[41] Zora (Female): "So be it."
