[116] NelsonMayson (Male): "Did you find 'em? Tell me you found my drug- I mean, my sprat carriers. Would hate should anything dire have befallen them."
[117] Player: "You want the good news or the bad news?"
[123] Player: "I'll get back to you on that."
[118] NelsonMayson (Male): "Just tell me straight and don't hold back. I can handle it."
[120] Player: "Retrieved your drugs. But raptidons killed your carriers in the cave."
[151] Player: "I found your sprat carriers. But someone stole the delivery. <Keep Drug Consumables>"
[119] NelsonMayson (Male): "Sprats can always be replaced. Excellent, this is perf- THIS IS ONLY HALF! Are you - you think you can steal from me?!"
[133] Player: "I searched the cave top to bottom. That's all there was."
[134] Player: "<Punch him in the eye.> Get ahold of yourself."
[121] NelsonMayson (Male): "Ow!!! Damn it, that hurts like the blazes! Okay, okay. All right. You didn't take it... but someone did."
[131] NelsonMayson (Male): "Seeing as that statement is "wink" free... I'm madder than a mantiswarm. And ready to bite somebody."
[122] NelsonMayson (Male): "Search Fallbrook. Either half the sprats got loose on their own, or there'll be some evidence pointing to the soon-to-be-dead snake who filched my carriers."
[124] NelsonMayson (Male): "You want your cut? You get me the rest of my drugs. No matter what it takes."
