[102] sebastianadams (Male): "You look like a man who's looking for some mostly-fresh animal parts."
[100] Player: "Why would I want any of that?"
[103] sebastianadams (Male): "I dunno. Celia usually buys whatever I have, and Mr. Pickett seemed real interested, so I thought maybe I was onto something."
[142] Player: "Mr. Pickett?"
[144] sebastianadams (Male): "He came to Stellar Bay years ago - just before the Board cut us off. Ended up stuck here. He was always real interested in our monsters. Mantiqueens especially. "
[150] Player: "Have you seen a mantiqueen?"
[158] Player: "Where have you seen a mantiqueen?"
[147] Player: "Let's talk about something else."
[152] sebastianadams (Male): "Sure. They're real big. Hard to miss 'em."
[159] sebastianadams (Male): "Well, I could send you to the same place I sent Mr. Pickett. But I haven't seen him in a few weeks. To tell true, I'm starting to get a bit worried about him."
[167] sebastianadams (Male): "Hm? Like what?"
[160] sebastianadams (Male): "Tell you what. I'll tell you where I sent Mr. Pickett if you promise to look for him. Help him out if he's got himself in trouble. Fair deal?"
[162] Player: "Sure, I can keep an eye out for him."
[163] Player: "Let me think about it."
[164] sebastianadams (Male): "All right, then. Leave town through the southern gate - the one right here - and head past the abandoned ruins."
[165] sebastianadams (Male): "Okay. Well, let me know when you've made up your mind."
[166] sebastianadams (Male): "Last mantiqueen I saw was in the wilds out thataways. Could be Mr. Pickett's still out there, too."
