[125] LudwigMiller (Male): "Bring us honor, soldier."
[3] LudwigMiller (Male): "You ever swung a truncheon? Let me see your rifling stance. I wanna make sure you're up to snuff."
[38] Player: "You won't have to worry about that scout anymore."
[6] Player: "I'll let you be."
[39] LudwigMiller (Male): "You beat that scout to scrap with its own legs? Pulled its optic cables out its headcase? Actually, don't tell me. Rather use my imagination."
[40] LudwigMiller (Male): "You are a passing fair soldier, I will confess. But you are one, and the enemy is legion. What you need is an equalizer. A weapon to strike fear in their cold, mechanical hearts."
[41] LudwigMiller (Male): "Cantina. Lavatory. Behind one of the toilets. That's where I've kept it hidden all these years. "
[42] Player: "You hid your secret weapon in a lavatory."
[44] Player: "I'll let you know if I find it."
[43] LudwigMiller (Male): "Sharp, ain't it? The lavatory is the very last place a mechanical has need to enter."
[45] LudwigMiller (Male): "On the double, soldier. Don't want the bartender poking around in there with a mop."
