[2] CarlottaIntercom (Female): "It's... too quiet. What are you up to out there?"
[8] CarlottaIntercom (Female): "Hello?"
[7] Player: "Relax. The SubLight squad is gone."
[6] Player: "Do you have a moment to talk about our salvation through the Order of Scientific Inquiry?"
[22] Player: "Carlotta, is that you?"
[9] CarlottaIntercom (Female): "Relax? I've been cooped up in here for almost two days!"
[10] CarlottaIntercom (Female): "You can't be serious."
[23] CarlottaIntercom (Female): "Yeah, and for the hundredth time, I'm not opening this door."
[13] CarlottaIntercom (Female): "Who are you, anyway?"
[15] Player: "I'm <oeitoken>PlayerName</oeitoken>. Graham sent me to collect supplies."
[16] Player: "Just your friendly neighborhood Iconoclast."
[17] Player: "It doesn't matter who I am. I'm here to pick up Graham's supplies."
[18] CarlottaIntercom (Female): "Oh, for - finally. Tell Graham that this is the last run I'm doing."
[19] CarlottaIntercom (Female): "Sanjar's declared a stop-sale to you lot, but even if he hadn't, I'm not risking my neck anymore."
