[1] velmaballard (Female): "Look, you can tell Catherine the new shipment'll be ready when it's ready, all right? She's welcome to come up here and pack boxes herself if she's in such a hurry."
[53] Player: "Take it easy. I'm just looking around."
[62] velmaballard (Female): "Well, if you're that friendly about it, then you definitely aren't one of Catherine's SubLight toughs. My mistake."
[55] velmaballard (Female): "Hope you can forgive my temper. This job's been running me ragged lately."
[131] velmaballard (Female): "First my auto loader foreman stages a walkout, and now my chief pescatological health manager is missing."
[133] Player: "Let's talk about Caleb."
[63] Player: "I don't have time for this."
[147] velmaballard (Female): "Unless you're here to tell me he's agreed to do his job again, I've got nothing to say."
[155] Player: "They're hard workers, aren't they? Don't they deserve some compensation for that?"
[151] Player: "Why can't you give him his pay increase?"
[158] velmaballard (Female): "Hard workers? They turn dials and flip switches. The machines do all the actual work."
[153] velmaballard (Female): "I don't have the bits for it. Plain and simple."
[159] velmaballard (Female): "Caleb and his crew have it better than anyone else around here, I'll tell you that much."
[154] velmaballard (Female): "Besides, if I make an exception for him, I gotta do the same for everyone."
[157] velmaballard (Female): "If Caleb wants to keep this job, he'd better get back to it. I'm about ready to hire SubLight contractors at this rate."
[162] Player: "Are you willing to meet Caleb halfway?"
[148] Player: "I saw your accounts. You've been skimming money for years. You can afford to pay more."
[169] velmaballard (Female): "For running me ragged while he takes an extended leave at the bar? Not on your life."
[139] Player: "Let's talk about something else."
[164] velmaballard (Female): "Yeah, and did you miss the part where I'm working doubles to cover for everyone who decides not to show?"
[143] velmaballard (Female): "Fine by me."
[170] velmaballard (Female): "I'm the one who keeps this place running. That money's mine, one way or another."
[172] Player: "That sounds remarkably like Caleb's argument."
[173] velmaballard (Female): "Fine. Tell Caleb he and his team can have their raise, but I need them back here immediately."
[99] velmaballard (Female): "Something else on your mind?"
[39] Player: "I'll talk to you later."
