[56] AlonzoVallejos (Male): "Oh, it's you. I suppose you're here to collect your prize, hmm?"
[125] AlonzoVallejos (Male): "I really do have the worst luck. When I gave you this job, I never expected you'd be so damned competent. "
[126] Player: "That's me. Damned competent."
[127] Player: "Uh, what?"
[128] Player: "I don't care, Alonzo. Just give me my hat, and I'll be on my way."
[133] AlonzoVallejos (Male): "Yes, go on and gloat. You've already ruined all my plans with your talent for staying alive."
[131] AlonzoVallejos (Male): "The tour's not real, friend. Board shut it down years ago due to unacceptably high rates of fatalities. So I greased a few palms and got the tour up and running again. "
[132] AlonzoVallejos (Male): "I outfitted every beacon with a recording device. Live footage of dimwitted mercenaries dying in gruesome ways across Halcyon. Imagine the ratings!"
[134] Player: "There's no way this is legal."
[136] Player: "You tried to get me killed? Are you crazy?"
[135] Player: "Aw, that's so sad. Can I have my hat now?"
[140] AlonzoVallejos (Male): "Why the hell shouldn't it be legal? I filed the appropriate paperwork. I paid my dues."
[137] AlonzoVallejos (Male): "Oh, come on. I would've made your death worth millions."
[129] AlonzoVallejos (Male): "Fine, fine. You're entitled to your reward."
[138] AlonzoVallejos (Male): "Look, never mind. Just take your reward and get out of my hair."
[130] AlonzoVallejos (Male): "One Certified Explorer's Hat, courtesy of the Bureau of Exploration. With my compliments."
