[23] Player: "Catherine said you can give me an ID cartridge for the C&P factory."
[24] Fallbrook Vendor Duncan (Male): "Not so fast. My biometric IDs are special goods. Only on offer to special clients, you cotton?"
[25] Player: "I think the fact that Catherine Malin sent me for it, makes me special enough."
[26] Player: "The secret of your illicit dealings is safe with me. Cross my heart."
[27] Player: "<Flex.> Check the list again."
[28] Player: "Forget it, not interested."
[31] Fallbrook Vendor Duncan (Male): "She needs it for a job? Well, why didn't you say so? Reckoned you asked her where best to procure one and she obligingly pointed you my way."
[32] Fallbrook Vendor Duncan (Male): "Well, you do look like the honestly dishonest type. By which I mean my favorite customer."
[33] Fallbrook Vendor Duncan (Male): "Ah, uh... What do you know, you're on it! My mistake, customer. "
[34] Fallbrook Vendor Duncan (Male): "Give me a jiffy to break- I mean, calibrate the ID."
[35] Fallbrook Vendor Duncan (Male): "This goes like that, and nope, not quite right... A bit to the left mayhaps..."
[36] Fallbrook Vendor Duncan (Male): "That'll do it! For a C&P factory line worker, she sure is a beauty."
[37] Fallbrook Vendor Duncan (Male): "Careful! I'm trusting you to guard this specialty good with your life. I mean it, lose the ID and you don't get another. Also, you'll be off my list of 'unwholesome' customers."
[38] Fallbrook Vendor Duncan (Male): "Will that be all or do you require something to, say, scratch your itch...?"
[4] Player: "Let's deal."
[7] Player: "I should go."
