[2] VaughnCortes (Male): "Any news? On that thing we spoke about. You know. That thing?"
[131] Player: "I found your experiment."
[133] Player: "Not yet. I'll let you know."
[132] VaughnCortes (Male): "Don't keep me in suspense. Did you get my stuff? I mean, not mine. It's for other parties. Buyers."
[43] Player: "I tuned the equipment for you, so there's a bit more than you expected. "
[46] Player: "<Keep half.> Here. If you'd set your equipment up properly, it would have yielded more."
[183] VaughnCortes (Male): "No kidding? You're the best."
[182] VaughnCortes (Male): "I'll remember that. I'm not the greatest technician."
[184] VaughnCortes (Male): "This is gonna make me so popular. I mean with the people who buy it. Not by using it. Because I'm not."
[187] Player: "You're definitely going to use it."
[186] Player: "Of course not."
[191] VaughnCortes (Male): "Only for testing purposes. Quality control. You would, right?"
[192] Player: "Sure."
[193] Player: "Nope."
[190] VaughnCortes (Male): "Take this. You earned it. If you run into me again after all this is over, maybe I'll have more."
[197] VaughnCortes (Male): "Ah, you just don't understand the market. Anyway, here's a cut for you. An advance from my profits."
[196] VaughnCortes (Male): "Pleasure doing business with you."
