[41] Huxley (Female): "AHH! Whew! Thank you so much! It was getting all stuffy in there and I was getting a mite light-headed and I think maybe I was gonna die."
[43] Huxley (Female): "But now I'm out HERE! I'm headed back to Amber Heights."
[46] Player: "Good luck."
[44] Player: "You sure you're okay to travel?"
[64] Player: "<Attack> With the trouble you caused me, you're dying here."
[47] Player: "Yeah, yeah. Just beat it."
[45] Player: "Normally, when you help someone, they give you something for their trouble."
[59] Huxley (Female): "Thanks a lot, mister!"
[48] Huxley (Female): "Oh, sure. I'm a runner. I'm used to getting all dizzy and hey who's your identical, slightly blurry friend?"
[60] Huxley (Female): "Yes sir!"
[49] Huxley (Female): "Wh- I ain't got nothin' on me! How's about a heaping helping of appreciation and respect?"
[68] Player: "Surely you have something on you."
[53] Player: "Put in a good word for me with the Iconoclasts and we'll call it even."
[69] Huxley (Female): "'Fraid not, mister!"
[58] Huxley (Female): "Can do!"
[70] Huxley (Female): "I gotta pack light if I'm gonna run away from monsters."
