[16] EllenChawla (Female): "How goes the hunt? I've been ruminating on it, and I decided - if you ain't killed MacRedd yet, I want you to hurt him a little before you do."
[69] EllenChawla (Female): "Nothing excessive, mind you. But the scoundrel deserves a light beating at least before he kicks off."
[77] Player: "Captain MacRedd is completely dead. Here's his lucky lighter as proof."
[70] Player: "Forget about the bounty for now. I want to talk with you about something else."
[153] Player: "Does this have anything to do with your "carnal understanding"?"
[19] Player: "I'm working on it."
[23] EllenChawla (Female): "Here's the bounty pay-out. Nice work down there. With any luck, we can hire more sharp-eyed bounty hunters like you in the future."
[71] EllenChawla (Female): "Have at it, then."
[154] EllenChawla (Female): "He tell you that, did he?"
[1] EllenChawla (Female): "Unless you're here to file an incident report or to inquire about the bounty posting, I must kindly ask you to clear out. The Mardet's offices aren't for leisure time nor loitering."
[155] EllenChawla (Female): "I might'a kicked his ass from one end of the Groundbreaker to the other a few years back. Whatever he reads into that is his business."
[3] Player: "So what's it like, working security detail on a space station?"
[4] Player: "I'll be on my way."
[5] EllenChawla (Female): "Do I look like your gossipy best friend? While I'm on post, I take my duties real serious. I would have no qualms whatsoever escorting you to a cell. Understand?"
[49] Player: "Fine, fine."
[80] Player: "Hey! No one talks to me like that."
[78] Player: "Whoa, all right. Just trying to make conversation."
[51] EllenChawla (Female): "Then get to business or get moving."
[81] EllenChawla (Female): "Now, let's not start a fuss. I'm just trying to do my job, and I can't do it while chit-chatting with you."
[79] EllenChawla (Female): "I'm not here for a chat. Now get moving before I see you moved."
