[99] HortenseIngalsbe (Female): "I must admit, I'm getting a certain thrill out of our little arrangement. If this goes well, perhaps I'll start hiring wandering delinquents to handle all of my affairs."
[100] HortenseIngalsbe (Female): "It is going well, I hope?"
[165] Player: "The Retirement District is a paradise. You should see for yourself."
[41] Player: "So it turns out Early Retirement isn't so much a life of luxury as it is a brutal execution."
[166] HortenseIngalsbe (Female): "I knew it! I just knew it! What a disaster. Did you get a good look around? What was it like?"
[42] HortenseIngalsbe (Female): "What? You mean it's just a sham they perpetuate so they can... dispose of the rabble? That's... that's..."
[168] Player: "An endless, extravagant garden. There were even signs that said "no frolicking.""
[169] Player: "It was just one giant party. They had a vodka fountain and everything."
[170] Player: "Everything is gold. Golden streets, golden chairs, golden toothbrushes..."
[43] HortenseIngalsbe (Female): "Brilliant! To take the most burdensome members of our society and simply remove them... oh, I'll never doubt the wisdom of the Board again."
[167] HortenseIngalsbe (Female): "Truly? That's... why that's the most beautiful thing I've ever heard."
[172] HortenseIngalsbe (Female): "A fountain of it? I bet it's Spectrum Ultraviolet too. Disgraceful! I can't find one bottle of it and they get a whole fountain."
[171] HortenseIngalsbe (Female): "Toothbrushes? Why that is positively gaudy... I must have one!"
[132] HortenseIngalsbe (Female): "Why I had no reason to be envious at all. What a relief!"
[173] HortenseIngalsbe (Female): "I can't believe they kept this from us. From me! The nerve! The audacity!"
[47] Player: "I really should have expected this reaction."
[48] Player: "Well I'm happy you're happy, I guess."
[49] Player: "I was pretty relieved myself. I love killing me some automechanicals."
[174] HortenseIngalsbe (Female): "Here, take your payment. I have to fetch my things. I don't care what I have to do - they'll give me luxury or give me death!"
[51] HortenseIngalsbe (Female): "And how else would I react? A vagrant such as yourself couldn't possibly appreciate the emotional burden this news has lifted from my shoulders."
[58] HortenseIngalsbe (Female): "Just as any professional should be, even if your profession is "violently inclined vagrant.""
[50] HortenseIngalsbe (Female): "You would, wouldn't you, you precious little pauper?"
[133] HortenseIngalsbe (Female): "But regardless of your ignorance, I promised you a fee for your services, so a fee you shall have."
[52] HortenseIngalsbe (Female): "Now then, to the matter of your fee."
[56] Player: "Just pay what we settled on and we'll be copacetic."
[57] Player: "Forget it. It wouldn't feel right to get paid for something like this."
[61] HortenseIngalsbe (Female): "Of course, as we agreed. I'm not one to break a contract."
[62] HortenseIngalsbe (Female): "What, because of the violence? They were just automechanicals. But suit yourself, I suppose."
[63] HortenseIngalsbe (Female): "In any event, while I'm deeply grateful for the peace of mind you've brought me, I will need some solitude to fully bask in it. So if there's nothing further..."
[8] Player: "I should go."
