[51] Lillian (Female): "Seriously, don't get yourself killed. It's a nice cigarette case, but it's still just a cigarette case."
[59] Player: "I've got some good news. I have the cigarette case you lost."
[67] Player: "I don't think there's any way to get your cigarettes out. I'm leaving them there."
[61] Player: "Don't plan to. See you later."
[62] Lillian (Female): "You're shitting me."
[85] Lillian (Female): "I didn't think so either. Maybe when the raptidons clear out, I'll check back."
[65] Player: "It occurs to me. If I could get this when you couldn't, I bet you couldn't take it from me."
[66] Player: "Well, I've got some bad news, too. I'm going to keep it for my own self."
[63] Player: "I'm not saying it wasn't a hassle to get. But here it is, safe and sound."
[71] Lillian (Female): "It's been a real long day. You want to do this?"
[68] Lillian (Female): "And you came all the way back here to tell me that? When you could've just lit outta here and left me none the wiser?"
[93] Lillian (Female): "You ain't so bad. Here's something for the trouble."
[131] Player: "Do you?"
[129] Lillian (Female): "You are dumb as hell."
[122] Player: "See you around, then."
[132] Lillian (Female): "It's a shitty cigarette case. I wasn't gonna fight no raptidons over it, and I sure as fuck ain't fighting you."
