**Sub: Review of the above-mentioned project proposal by IRB**

Dear Professor,

Thank you for submitting your proposal to the IITB Institutional Review Board (IRB) for review. The IRB has reviewed the proposal and the following proposal is approved:

**Proposal number** : IITB-IRB/2023/072

**Title** : Towards Early Detection of Comorbidity from Social Media Posts

The IRB approval is for the ethical conduct of the study. The study is approved for the entire duration and a closure report should be submitted within 2 months of the completion of the study.

Further, it is also confirmed that neither you, nor any of the study team members have participated in the decision-making process of the committee.

In case there are any changes in the proposed work (which is not limited to scope, dates, participants and methodology etc.), please communicate to IRB within 15 days of such a change.

Thank you.

With best wishes from IRB for your study,

Prof. Swati Patankar  
Chairperson IITB-IRB
