[80] Player: "Cheer up! Maybe now you can hire someone better."

[82] Player: "You definitely sounded like one."

[84] velmaballard (Female): "Oh, sure. Because Monarch's just teeming with experts in the finer points of saltuna health."

[85] velmaballard (Female): "Yeah, I wouldn't wish that on Catherine herself."

[83] velmaballard (Female): "Ease up. I'm running on a chronic shortage of sleep here."

[86] velmaballard (Female): "Still, it's good to know what happened to him. And that I ought to start looking for a replacement."

[39] Player: "I'll talk to you later."
