

[2] Berthold Fox (Male): "That assist was a violation of corporate law if I ever saw one. Since it was to my benefit - and we're largely in lawless lands - I'll look the other way. C3 owes you one, stranger."

[3] Berthold Fox (Male): "You haven't seen Constance, have you? Ah, there's her torso. And that'd be her legs over yonder... Never mind. I'm Berthold."

[5] Player: "C3 sent me to find you."

[40] Player: "That's unfortunate."

[6] Player: "What are you doing here?"

[41] Berthold Fox (Male): "It is. Going to be a mess to haul back. Hazard of the job, I reckon."

[4] Berthold Fox (Male): "Means they're still holding the post then. Good. You might head on back. "

[7] Berthold Fox (Male): "Killing marauders and hooligans - as I am handsomely paid to do. 'Course, as me and Constance discovered, they ain't the only forms of life inhabiting these caverns."

[8] Berthold Fox (Male): "I owe you a debt for saving my neck, stranger. And I mean to pay it."

[43] Berthold Fox (Male): "There's a station up the way. It's where my C3's are posted."

[42] Berthold Fox (Male): "We can talk more there, where it's safe. I'll be on my way... once I've gathered up Constance's parts. "
