Wikipedia page: Murder of Giulia Cecchettin
Giulia was murdered on 11 Nov. 2023; the case sparked protests in Italy against femicide. Siblings: Elena and Davide.
Evidence compression
Keep only evidence that links Elena to Giulia and situates the attack in the femicide debate.
compressed context: Elena is Giulia's sister; the murder sparked anti-femicide protests in Italy.
LLM annotation with RAG context
Predict label from the post plus compressed evidence.
implicit misogyny
without RAG: ambiguous
Rationale: frames anti-patriarchy and anti-violence speech as useless, irrational, and politically exploitative.
